What is great about this project?

- **Great access and visibility:** Camp Indianhead Crossings is a contemporary building located close to the road on State Road 54, an extremely high-traffic, major through-way in Land O' Lakes. It has 2 access points: one on State Road 54 and one on Camp Indianhead Road. Traffic on State Road 54 will benefit from a full access median cut with a left turn lane for east-bound traffic.
- **Prominent Tenant Signage:** 67,000+ cars drive by this shopping center every day. Tenants' signs will be prominently displayed on a high-elevation, single story building that is located adjacent to State Road 54 with parking located on the opposite side of the building.
- **Location, Location, Location:** Camp Indianhead Crossings is located between the two busiest intersections in Land O' Lakes: SR 54/US41 and SR54/Collier Parkway and is shadow-anchored by high-traffic businesses such as the Publix in Collier Commons, Starbucks, Chili's, Belk, Walgreens and many more.
- **High-Income Demographics & Retail Opportunity Gap:** The average household income in the immediate 5-mile radius is more than \$95,000. According to current opportunity gap reports, the area is extremely under-served in most major retail areas including food service & beverage establishments, clothing stores, food & beverage stores, building materials & garden supplies, electronics & appliances and general merchandise stores.
